The Camp Store is fully open for every Thursday Family Night program and sells t-shirts, backpacks, pillow pals, and other fun novelty items.

FAMILY NIGHT

Friends and family are invited to Camp Wabansi on Thursday night for our Family Night celebration. Join us for dinner, hilarious skits and songs, and camper recognition! **Guests may begin arriving at camp anytime after 5:30pm. (Please do not plan to arrive earlier than 5:30pm.)** Camp provides an all beef hot dog dinner for campers and their guests, but families are welcome to bring their own picnic dinner if they'd prefer. The hot dog dinner is free, but donations are greatly appreciated. The skit program will begin at 6:15pm and last approximately one hour. Camp Wabansi has several benches in the amphitheater, but parents are also encouraged to bring their own lawn chairs or blankets for seating. Camp Wabansi does not allow smoking or alcoholic beverages on its property. Please leave family pets at home.

OVERNIGHT ADVENTURE (OPTIONAL)

You can still decide to take part once your session at camp begins by RSVP'ing to the Camp Office. There is an additional \$30 fee for the overnight due before the experience begins.

HEALTH & SAFETY

Camp Wabansi takes the health and safety of our campers very seriously and adheres to the standards of the American Camp Association. Especially if your camper requires medication or has a special medical need, please read this section carefully and feel free to contact us if you have any questions about our procedures.

HEALTH FORMS

Camp Wabansi must have a health form on file two weeks before your child attends camp. Please complete the enclosed form and mail it to the Camp Office. Health forms must be signed by a parent or guardian and will remain confidential. **Without exception**, no child will be permitted to come to camp on Monday morning without a completed health form on file, so please be sure that you personally check your camper in at the bus stop on Monday to ensure that we have all required information. *Note: If your camper is enrolled for the summer in the School Age Child Care (SACC) program, camp will receive a copy of their health form automatically. There is no need to complete another health form for camp.

MEDICATIONS

All camper medications must be checked in daily at your bus stop and will be administered by authorized camp staff members. Campers may not carry medications, even over-the-counter medications or creams, in their backpacks. Inhalers and epipens will be near your camper at all times and held by your child's counselor. When you check in your camper on Monday morning, we will ask you to complete a Medication Authorization Form to accompany each medication. If you'd like to obtain this form beforehand, it can be downloaded from our website, but please do not submit it early. Instead, bring it along when you check in your medications to the camp staff.

All Camp Wabansi staff are certified in First Aid and CPR, but we do not have a registered nurse on site. For this reason, we are unable to administer medications which require injection (such as insulin). If your child has a need for this type of care, please contact the Camp Director.

If your child has a special medical need or condition, please contact the Camp Director in advance of your camper's session so that the camp staff can be fully prepared to provide appropriate care.

EMERGENCIES

In the case of minor injury, campers will be treated in Camp Wabansi's medical room. In the event of serious injury, camp staff will contact the camper's parents or their designated emergency contact. In the event of life-threatening injury, camp staff will immediately notify emergency medical personnel. Camp is serviced by the Town of Brussels ambulance just minutes away from camp. Any required ambulance service will be the financial responsibility of the camper's parents/guardians. The Green Bay YMCA does not carry medical insurance for camp participants. In the case of severe weather, campers will be moved into the Jim Aumann Activity Center at camp for shelter, and any bus delays will be communicated via email and Green Bay YMCA front desks whenever possible.

LABEL YOUR MEDICATIONS

All medications **MUST** be clearly labeled with the following:

- Camper's name
- Name of medication
- Dosage instructions
- Date issued
- Physician's name (if applicable).

Medications must be in their original container.

WEEKLY SCHEDULE

MONDAY

Bring any medications, last-minute health forms, or specialty camp waivers to your bus stop. Today, the staff will give all parents an important letter. This is to confirm your camper's plans for Thursday's Family Night and optional overnight stay. Please send it back on Tuesday morning.

TUESDAY

Campers must bring back their Monday parent letter. Then, it's Tie-Dye Tuesday! Campers should bring an item to dye such as a white t-shirt, pillowcase, or bandana. (Do not send a towel; they don't dye well.) White Camp Wabansi tees will be available for purchase during registration.

WEDNESDAY

It's Weenie Roast Wednesday! Campers should bring their own hot dog and bun for lunch. We will roast hot dogs over the campfire, and camp will supply ketchup and mustard. Campers may bring additional lunch foods or a regular bag lunch instead, if they choose.

THURSDAY

It's Theme Day! Campers are encouraged to dress up for the week's theme and will participate in an all-camp extravaganza. Today is also Family Night and the optional overnight adventure at camp, so campers may pack their overnight bag and bring it with them on the bus today (or parents can bring it to Family Night).

FRIDAY

Five-Star Friday will be a highlight of the week. After breakfast (for campers who stayed overnight), campers will enjoy all-camp games, and more fun in the sun. No bag lunch required today - camp will provide a picnic lunch for all!
